### Location

Playa Bastian is a popular front line community built in 1988. It is close to the centre of Costa Teguisse . The properties benefit from having UK television provided as part of their community fee. The complex is renowned for being well managed and maintained - it has three pools, two of which are heated during

the cooler months, and direct access to the beach and sea front walkway.

Costa Teguisse is Lanzarote's family resort, with a fabulous selection of bars, shops and restaurants, a golf course and water park. Las Cucharas beach is world class with all facilities and a sheltered bay area. Scuba diving and windsurfing are the most popular sports. There are both international and local schools in the resort, and Arrecife is only 10 minutes drive away.
