This attractive ground floor apartment (approx. 110 sq. m.) with garden (96 sq.m.) located in the small town of Grotte Santo Stefano is within walking distance of the centre and all its commodities. It has been newly renovated, including underfloor heating and the floors have all been laid with high quality, wood-effect, porcelain tiles.

The apartment is divided into a modern, open space, living area with a large kitchen, a large master bedroom to the right of the living area with ensuite, and to the left of the living area a further two bedrooms, both with private balcony and a shared bathroom.

Outside there is a small terrace, ideal for dining in the summer and the garden which gives access to a large storeroom (40 sq.m.) with bathroom.
