House with 250 pieces Hazelnut plants and large yard of 2300m2 for sale in Varna district. The property is located in a village near Valchi Dol Town/Municipal center, with all amenities necessary and

only 60Km away from Varna and the Airport. Preferred area from foreigners such as Germans, British, Hungarians etc. The house has a total build up area of about 107m² including the basement and is for full renovation. The Hazelnuts are on about 250 pcs and they are 10 years old. They bear fruit. An exceptional variety, large and tasty. The harvest is very good, and the trees do not require any special care. There is also a water well. Situated in a quite street and not in the center of the village
