### Açıklama:

This unique property, nestled in the tranquillity of the Alto Bresciano Natural Park, invites you to live in absolute privacy, surrounded by lush greenery and unspoiled nature.

The former farmhouse, which was carefully renovated in 2012 and transformed into a charming agriturismo, consists of six accommodation units, each offering four beds and a bathroom. Each of the individually designed units exudes a pleasant warmth and offers the ideal place for a relaxing break from the hustle and bustle of everyday life. The heart of the agriturismo is the inviting and cozy restaurant, which has a spacious dining room and a veranda. The spacious outdoor areas invite you to linger and offer space for all kinds of leisure activities, from quiet walks to exploring the numerous hiking trails in the area. A nearby stream also provides you with refreshing water - a real blessing on hot summer days. This property is a real gem for nature lovers and offers numerous possibilities: It can continue to be run as an agriturismo to accommodate guests from all over the world and introduce them to the beauty and tranquillity of nature. Alternatively, it could also be used as a private home - a peaceful place to live. The estate extends over 10 hectares of land and offers a lavish mix of woods and meadows. Here, the desire for a solitary idyll, far away from the noise and bustle of the city, takes on a whole new meaning. Despite the quiet location, you are only a few kilometers away from the lake and the village of Toscolana.
