FOR SALE a 130m2 villa just a few meters away from the beach. You can easily walk to the beach within two minutes. This is a two storey house. On the 1st floor you will find two bedrooms each one with its own bathroom. The master bedroom has a balcony looking at our back garden. In addition, the house is fully insulated with external thermoprosopsis insulation system and wooden roof. It uses gas for heating and cooking, and it has a solar panel system for the warm water. It is fully furnished with all necessary electrical appliances. There is an 8Kw photovoltaic solar system that produces about 10.000 Kws/year and has an income of about 550€/month after selling this energy to the state. There is plenty of open parking space that can accommodate three cars.
