Açıklama:

Historic property in the old center of Pêra and with enormous business potential taking into account its volume and characteristics.

There are several different items, including old houses, warehouses, two large shops, a restaurant space, a 'manor' building and large patios, terraces and a basement.

It presents perfect conditions for a charming hotel project or even to idealize a condominium.

The possibility of restoring and maintaining the existing one is also a strong possibility.

About 2,200m2 of total area with just over 1,000m2 of construction.

If we consider only the construction area, we have just over 1,000 m2 and we still have the entire patio area.

The village of Pêra has a very interesting location and is quite strategic. It is about 2.5 kilometers from the beautiful Praia Grande, 5 minutes by car from the center of Armação de Pêra, 10 minutes by car
