Açıklama:

For rent here is a beautiful semi-detached house in Lurup. Privacy is very important here because the long driveway of the house is far away from the street. The house is in a renovated condition and tastefully furnished. A new vinyl floor underlines the modern interior. The house has 4 bedrooms, 1 living room, 1 bathroom with bath, separate shower cabin and a toilet on the second floor, and 1 guest toilet on the first floor. The open fitted kitchen is visible from the hallway. All electrical appliances: Stove, dishwasher, oven, refrigerator, microwave, washing machine, and dryer are included. The utility room on the first floor has plenty of storage space. A private garden with a terrace including a garden shed with many electrical appliances (lawnmower, trimmer, hedge trimmer, garden hose etc.), climbing frame, and trampoline is available. Furthermore, a garden lounge with a dining table and barbecue are provided. In addition, the house has a double carport + separate parking space, so that a total of 3 cars can be parked on the private property.
