### Açıklama:

Beautiful property with no overlooked neighbours in a small market town close to Villefagnan. The house has been superbly modernised while retaining its character; it is heated by gas central heating, in addition to an efficient wood-burning stove in the living room. The drainage is up to standard (which is rare on the market), there is the possibility of extending the house thanks to the adjoining barn (after obtaining the necessary permits) and the surrounding countryside is calm and unspoilt. A property where all you have to do is put your suitcases down and enjoy!
