Açıklama:

2-bedroom house (but with the possibility of making at least 2 more) in a very pretty hamlet less than 10 minutes from Aunac-sur-Charente. The house needs some updating but is immediately habitable. The numerous outbuildings provide plenty of storage capacity or can be converted into living space (with the necessary authorisations) and the lovely garden means you can enjoy the Charente heat without suffering too much. A property full of potential and character, ideal for a family.
