Açıklama:

Wonderful Townhouses semi detached in the golf area of Estepona west side at 5 minutes drive to Estepona town and 30 minutes drive to Puerto Banus.

This special urbanisation with its 3 floor villas has its own charming atmosphere as the villas are colourful and with enough distance in between to feel comfortable with the own privacy in the complex. with 24 hours security.

You get 3 bedrooms and 3 bathrooms, one en suite and with hidromassage, you have nice white marmol floor with underfloor heating and 2 nice terraces each 20m2 big to use for dining a whole big family on each of the terraces and sea views.

You have 3 fantastic swimming pools, even with a small pool for kids and from the beautiful community garden you have also sea views and umbrellas around the pool, there is also a gym on site, you just have everything for a very relaxed and secure holiday with the best views and only minutes drive to the beach near the famous luxury beach Bar El Nido next to The Edge new buildings.

The area is the upcoming area near Estepona, with new top hotels like Konrad hotel and the famous golf course Finca Cortesin very nearby, also there are many new buildings as all areas are still so near to the beach which you don't find in Marbella any more at that price.

The distance to Estepona the distance is only 8 minutes drive and to Puerto Duquesa with its vast selection of restaurants and bars it would take you only 10 minutes drive.
