Just outside Alcaucin and within walking distance of the village you can find this finca with a well-maintained country house of 121 m2. In front of the house there s a spacious terrace overlooking the olive grove of a 130 olive trees and other fruit trees such as oranges, lemons and medlars. A huge water storage of 100.000 litres provides the necessary watering. It is also connected to the village water supply of Alcaucin. The entrance leads into a spacious living/dining room with a fireplace, followed by a large kitchen with lots of storage space. Down the hallway there are 3 double bedrooms and a bathroom with bathtub. The attached garage could be converted into a fourth bedroom with access to the house. All windows have shutters and mosquito nets. The complete plot of 20.000 m2 is fenced with a gate to the driveway. We are pleased to be able to present this dream home to you soon, either in person or via a virtual viewing. Because this world is unique - just like our Axarquía. In Andalusia. On the Costa del Sol. Here, on the sunny side of life...
