Açıklama:

This two-storey property, nestled at the base of the majestic Monaldeschi Tower, is a hidden gem, just waiting for loving renovation. Civitella D'Agliano is a village which has become the muse of painters and sculptors from all over the world who, during the summer months, exhibit their works in its beautiful squares.

Ground floor: living room with an imposing basalt fireplace, a large kitchen and a pantry.

First floor: double bedroom with a wonderful hexagonal terracotta floor and wrought iron balcony, bathroom with tub and second balcony.

This is an ideal house both to live in and to be used as a rental holiday home, thanks to the large influx of tourists.

Within walking distance you will find bars, bakery, fish shop, grocers and restaurants.
