This is a premium residential complex just 2 km from the center of Tivat, offering 133 modern residences: from studios to five-room apartments, as well as several commercial premises.

Nestled among Mediterranean greenery at an altitude of 100 m above sea level, it provides panoramic views of the sea, park and mountains in a calm and safe atmosphere. Modern design with panoramic windows fills the premises with natural light, and the upper floors offer views of stunning landscapes. The complex is located only 800 m from the promenade and beaches, combining convenience and privacy.

Residents will enjoy exclusive amenities including a swimming pool, children's playground, premium finishes, secure underground parking, private storage rooms, and a dedicated entrance and access road. The project is part of an organized and guarded residential community with convenient access to three international airports: Tivat (1.3 km), Podgorica (88 km) and Dubrovnik.

Discover the perfect combination of luxury, nature and modern lifestyle.
